about us

For more than 100 years, Congoleum has been manufacturing the finest quality flooring products for the home. Our dedication, commitment to your satisfaction, and pride in the products we produce have been an integral part of our culture and tradition.

Congoleum offers proven products that are engineered to give the consumer seamless, stylish designs and colors that match every décor, as well as easy maintenance to keep the flooring looking as good as the day it was installed.

Legacy Plus has unsurpassed durability because of its ultra-thick wearlayer which includes a urethane topcoat reinforced with nylon and aluminum oxide. Legacy Plus also incorporates a soil, dirt and dust repellent additive that truly makes Legacy Plus one of the most consumer-friendly products available for your home.

Diamondflor is a vinyl, no-wax finish floor with ArmorGuard that provides rugged top down durability that resists stains from everyday mishaps. It is easy to maintain and comes in traditional designs and colors for every décor.

Congoleum flooring products are environmentally friendly and FloorScore certified. FloorScore certified flooring products have passed a third party certification process and are recognized as contributing to good indoor air quality in order to protect human health.

FloorScore is a trademark of the Resilient Floor Covering Institute.
